### HEALTH AND WELLNESS POLICY

1. Today, more and more kids are becoming obese, falling ill more often, and are succumbing to serious allergies, asthma, bronchitis and infections. All these health issues can be minimized with the right health steps.
2. Keeping the above in view, the G.V.I. School Health Council was launched with the start of the new session of 2025-2026.
3. As parents and guardians are the first health educators and care providers, they must work in partnership with the school to ensure the safety and well-being of the child. All information provided will be maintained confidential and will be shared only if required to ensure the safety and well-being of your child or required by law.

### POLICY AND RESPONSIBILITY

4. Children suffering from a contagious illness/disease such as viral flu, measles, chickenpox, Tuberculosis etc. are expected to stay at home to recuperate.
5. A medical fitness certificate will be required to be submitted to the school the day the child rejoins the school. School will inform the parent/ guardian of any injury or condition for which the child was provided assistance.
6. The treatment for injuries that occurred at home is the responsibility of the parent/guardian.
7. Monitoring the progress or managing a child's on-going medical condition is the sole responsibility of the parent/guardian
